Testimonials

I want to take this opportunity of telling you that the Florence Finger and Sylvia Dickey tubers we got from you last year did splendidly for us last season, and we cut many flowers from them, the Florence Finger being one of the first varieties to come into bloom.

Thanking you for the nice stock and wishing you a very successful season, I am,

Very truly yours,

ROLLING ACRE DAHLIA FIELDS,
J. W. Bibb, Manager.

The Dahlia tubers arrived today in fine condition, they were packed to perfection, and are as fine a bunch of tubers as I ever saw.

People like you are a great help to the business. Please send me your list as early as you can next season, and thanking you kindly, I am,

Very truly yours,

H. M. SCRIVEN,
Warwick Garden, Warren, Ohio.

Tubers received in fine condition. I want to tell you that I have bought dahlias for the last 15 years, and I received the best stock from you that it has ever been my pleasure to buy.

Very truly yours,

THE DAHLIA FARM,
George A. Hopkins, Prop.
Maine's Largest Dahlia Farm,
Monroe, Maine.

Dahlia tubers ordered from you received. I must say they are good clean stock, and regret very much I did not place my entire order with you this spring.

Kindly mail your wholesale list to me for 1929 at your earliest possible convenience, I thank you.

Very truly yours,

JOHN BRANDUM,
Westchester, N. Y.

The dahlias I ordered from you came a few days ago and I meant to write you at once to tell you how well pleased I am with them.

I thank you very much for sending me such good tubers and giving me such good count. It is a pleasure to open a box and find such splendid roots. If I need any more of the kinds you have, you will receive the order I assure you.

Again thanking you, and wishing you a successful year, I am,

Very truly yours,

PLEASANT DAHLIA GARDENS,
Miss Lola Borradaile,
Camden, Ohio.

The dahlias which I ordered through your adv, in the Florists' Exchange were received O. K. and look very fine indeed.

Very truly yours,

F. W. MURNIN,
Croton on Hudson, N. Y.

I received the dahlias today and have just finished unpacking them. They are fine—not a broken neck in the lot of those packed in the barrels and none in the packages as far as we opened them.

Your count was generous and we are more than pleased. We tried a small order of your stock last year and they were fully satisfactory. This year we have bought more than two thousand tubers of good varieties from you and never got better stock or service anywhere.

Again thanking you for the fine stock you sent and wishing you the best of luck this season, we are,

Very truly yours,

WAYLAND DAHLIA GARDENS,
Per, E. R. Ryno, Prop.,
Wayland, Mich.
